"The Certification support from i-Clean has been brilliant. The contract runs smoothly and consistently and I know that standards won't fall. Following mobilisation, efficiency was at 86.5%, at the first 6 month review it had risen to 93% and currently stands at 95%"

DID YOU KNOW...

i-Clean is the independent best practice benchmarking process that helps to continually improve waste management processes and cleaning service delivery at in-house and contracted sites.

Following the launch of the EHRC taskforce campaign to improve working conditions in the cleaning industry, we've pledged our support by incorporating taskforce principles into our procurement process.

See us at the **Health Business Awards 3rd December 2015** at The Grange Hotel, St Pauls, London.
